

Super Distortion® VINTAGE GIBSON® WIRING WITH RIGHT ANGLE TOGGLE SWITCH

This Vintage-style Gibson® wiring uses a right-angle Switchcraft® toggle switch. The Super Distortion® in the bridge combines well with the following neck pickups: PAF® 36th Anniversary Neck (DP103), PAF Pro® (DP151), and Air Norton™ (DP193). For a complete wiring kit including all the hardware in the diagram above, [click here](#).
